To: Postcards for Peace Committee

On behalf of the Organization of Women's Freedom in Iraq (OWFI) we would like to thank all of you for your good effort to bring women around the world together.

Women in Iraq would be very enthusiastic and powerful when they realize that women around the world support them. They would feel that they are not alone in their work to end the occupation and to be able to speak out their minds in the society.

We do need your support to stand up all together to make a better world for the human beings and make a change in women's life.

Yanar Mohamad will be happy to hand out these nice words and works from all the women around the world to women in Iraq to bring a smile to their face.

We appreciate your work and your solidarity.

Thanks again
